January 2nd, 2025

Dear **Business**

The Monterey Condors Club (hereinafter referred to as the “Condors”, “MCC”) aims to address the problem of childhood obesity and juvenile delinquency, utilizing our outdoor activities to promote physical activity and healthy lifestyles. Our Spring Soccer Season is going to start in March 2025. Placing targeted emphasis on the underserved pockets of youth within our communities, kids that may be in more need of physical activity but may not be able to access certain programs because of price or lack of information. As we know soccer is the world's most popular and participated sport. We believe greatly in the power sports possess in building confidence, strengthening health, engendering happiness, and creating camaraderie. The Club has over 200 kids playing in NorCal Premier league from U11 – U18 teams.

Furthermore, sponsor funds will be used for field usages cost, purchasing of balls, nets, cones, and training t-shirts. It will also help us provide financial scholarships to the more deserving kids so that they can be a part of the Condors Family. Our commitment to youth soccer is vital in delivering our boys and girls to the mental and physical tools needed in order to become successful people and athletes.

To show our gratitude, we will highlight **your business** and include it on all our printed material, club email press releases, social media as well as on our club’s website: <https://montereycondorsclub.com/sponsors>. This is just one way in which we can express our genuine gratitude for helping us maintain our mission to help our children through sports and academics.

Any level of contribution is helpful. Thank you for taking your time, and we look forward to continuing our partnership with you.

At Your Service,
