Dear **Business**

The Monterey Condors Club (“Condors” or “MCC”) is committed to addressing childhood obesity and juvenile delinquency by providing accessible, structured, and engaging outdoor activities that promote physical fitness and healthy lifestyles. Our Spring Soccer Season begins in March 2026 after our Winter Season ends. We remain focused on serving underserved youth—children who may benefit from increased physical activity but lack access to programs due to financial limitations or lack of information.

Soccer is the world’s most popular sport, and we strongly believe in its power to build confidence, improve health, encourage teamwork, and create lasting friendships. Today, our Club proudly supports more than 200 athletes participating in the NorCal Premier League and MLS Go.

Sponsorship funds directly support field rental fees, equipment purchases (balls, nets, cones), and training t-shirts. Your contribution also helps us provide financial scholarships to deserving players, ensuring more children can join the Condors Family regardless of economic barriers. Our goal is to equip both boys and girls with the physical, mental, and social skills that will support their success on and off the field.

To express our appreciation, we will feature your business on all printed materials, club email announcements, social media channels, and on our website: <https://montereycondorsclub.com/sponsors>. This is one of the many ways we honor the partners who help us continue our mission of empowering youth through sports and academics.

Every contribution makes a meaningful difference. Thank you for your time and consideration. We look forward to the opportunity to continue partnering with you.

At Your Service,
